Here is a revised version of the NSPS OOOOa comments. This is what we will send up for Doug on Monday in prep for our meeting with him on Thursday. Please review and let me know if you all have any additional edits and what you think about my one question.

I'm going to revise some more on top of Scott's and will send to you all tomorrow. Don't look at what I sent earlier.

You mean ignore the first page of the comments or the memo itself?

Monica, please see my suggested edits to keep our comments on a factual basis. I don't think any of these comments will come as a surprise to the OAR steering committee...

Thanks,
